## Book List

### Practical Ministry

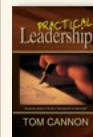

Every believer needs practical, hands-on training to be successful in the work of the Lord. **Practical Ministry** provides an easy-to-follow roadmap for developing successful leadership

### Rescuing Peter

**Rescuing Peter**, not only addresses many of the hot topics facing people today, but provides them with desperately needed solutions to their struggles. **Rescuing Peter** helps people triumph over disappointments and failures they often encounter.

### Practical Leadership

As servant-leaders, we cannot live our lives by the ordinances or regulations of earth, because God's rules are vastly different than the statutes of the world. **Practical Leadership** will teach you how to serve in victory, and experience true success in ministry.

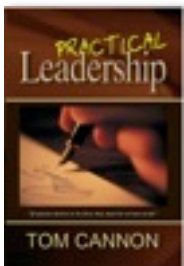

### Two Faces in the Mirror

Dr. Tom addresses eight (8) major struggles facing modern society, and gives practical, biblical solutions to them all. The bottom line is, we'll never reach the lost for Him, if we don't act like Him, talk like Him, or live like Him. Now is the time to put on the image of Christ, so people will be drawn to Him!

### LIFE-CHANGING BOOKS...

**T**hank you for taking the time to consider our books. We've worked hard to develop books that will help people grow stronger in the Lord, and build better leaders. Our goal is to strengthen the church, and advance the work of the Lord. We can best accomplish that goal, by helping people overcome the obstacles that have blocked their spiritual progress - and by training leaders to reach the next level. The church, after all, is only as strong as its weakest link. As Christian leaders, we must facilitate that goal in every way.

Our books address needs in believers of all ages, and maturity levels, and are designed to help people grow in grace, and become more effective in their work for Him. God has a plan for everyone. Our books can help show people the way.

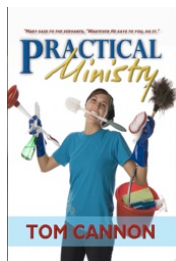

Comprehensive study guides w/ answer keys are available for several books. (See a complete list on page 3).

## Practical Ministry

**Practical Ministry** provides the resources needed for training believers, and existing leaders. Thanks to a hands-on, practical approach, we feel that believers will benefit greatly from **Practical Ministry**.

**Practical Ministry** is designed for use in Small Groups, Church Bible studies, curriculum for Bible colleges, and individual studies. We recommend getting a Study Guide for best results.

Did you know? Polls show average church leaders feel inadequately trained to successfully fulfill the duties they have been given. Studies also have found a lack of training to be one of the leading causes of burn-out with leaders on every level of ministry.

The hands-on approach of **Practical Ministry** will help you prepare new

believers for service, and help existing leaders do it more effectively.

**Practical Ministry includes:**

(Module 1) **Prepared to Serve:** training for the heart, discovery of calling

(Module 2) **Roadmap to Success:** learning what to avoid, as well as, what to do, to be successful.

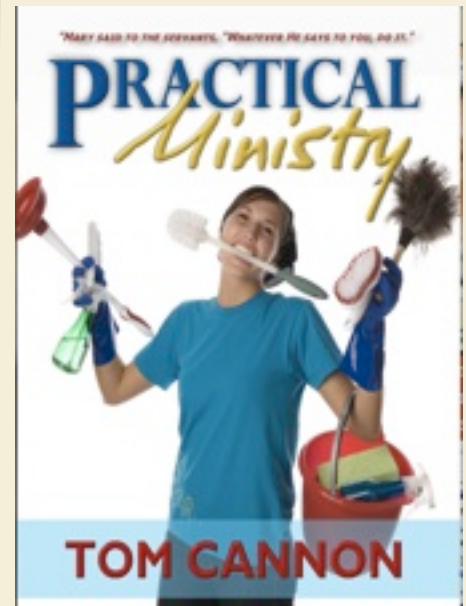

(Module 3) **Team Ministry:** discover the secret to multiplying the church.

(Module 4) **Keys to Successful Ministry:** helping to develop emerging leaders among you.

We use Practical Ministry as the basis for our core curriculum here at Calvary School of Ministry, in Tennessee. And best of all - our students love it.
